

2010 Rollo's Marine Waikato / BoP Waterski Series

Piārerere

Aniwhenua

Ngakuru

Karapiro

Brooklyn

Miners Lake

This is a series of **F grade slalom events** specifically geared for the beginner and intermediate skier. This is your chance to represent your club in a series of low key events designed to help you make the step from just fooling around to a seasoned competitor.

These events are rated "**F**" (**Fun**) grade and skiers get two chances at their first run. However the competition is fierce. You will be skiing against yourself and seek to improve your score at each tour stop. The winner is the skier who improves the most through the season.

Many of New Zealand's top competitors have risen through this series to become world ranked skiers.

This series of events has grown so popular the tour has extended into the Bay Of Plenty region taking in stops as far away as Aniwhenua (Galatea).
